“The Spirit of Us”

As we welcome March and the arrival of spring, it’s an ideal time to reflect, recharge, and renew our interests. Consider revisiting some of your favorite family recipes—whether you regularly cook for your family, they would surely appreciate a homemade casserole or sweet treat delivered to their home. If family isn’t nearby, friends, neighbors or others in your community would also enjoy the thoughtful gesture of a delicious, homemade gift.

Check out the exciting Spirit Club tours featured in this publication! One of our most highly anticipated trips—Journey Through the Canadian Rockies—still has openings, and we’d love to have more travelers join us. All tour brochures are available on our website for easy viewing. A few trips have already been filled, but don’t forget you can always ask to be added to the waitlist. Cancellations do occur, and if your name is on the list, you may receive a call when a spot opens.

Scams are everywhere now, and the best defense is a mix of awareness and setting boundaries. You are under no obligation in these modern times to respond to calls, emails or texts from strangers — especially given that so many of them are fraudulent. One option: Open your phone contact list and add your family, friends, doctors and other important numbers. Then go into your phone settings and turn on the setting for “silence unknown callers.” This will send any caller who isn’t in your contacts list directly to voicemail. (Phone Settings/Screen Unknown Callers/Silence). Sometimes a caller will get through. Get tough: Say, “I do not do business over the phone. Goodbye.” Trust your instincts. If something doesn’t sound right, run it by someone you trust and take extra time to think about it.

Happy Saint Patrick’s Day
May your mornings bring joy
And your evenings bring peace.
May your troubles grow less
As your blessings increase.
